 Band-aids

The camper's name should be clearly marked on ALL items brought to camp.

Please leave at home watches, radios, music players, electronic games, knives, expensive jewelry, fans, and cell phones.

TWO-WEEK CAMPERS: You will need to bring extra clothes and a change of linens. Also, the two-week session includes some overnight camping so you will need a sleeping bag. We also recommend a waterproof duffel bag or several garbage bags to protect your gear on the river. Laundry service is not available for campers or Junior Staff.

FOOTLOCKER: Be sure it is not more than 15 ½ inches high so it will fit under your bed. You may also use duffel bags or plastic boxes or a suitcase if you prefer.

RIVER SHOES: These need to be old tie-on shoes which you do not mind wearing in the river. AquaSox and Teva sandals are also acceptable if they fit snugly enough not to come off in the river. Flip-flops and Crocs are NOT good river shoes.

BEDWETTING: All camps with 7 – 12 year old children realize this possibility. Our staff is trained to deal with this situation. If you anticipate this please bring a plastic sheet and extra linens. If it is a regular occurrence you may leave a laundry fee. Please tell your camper to ask their counselor for assistance in discreetly changing their linens if the need arises.

The Cup and Plate should be washable and are used for outdoor picnics. The bandanna is used as a napkin for outdoor meals. Please do not bring paper products as this defeats the purpose of the lessons of environmental awareness and taking care of essential equipment.

Camp has tennis racquets, fishing poles, and riding helmets but you are welcome to bring your own if you prefer.

The white shirt and white shorts on the what-to-bring list are for the final evening banquet. Light khaki shorts or pants are also acceptable attire for the banquet.

All medications must be turned in to the camp doctor upon arrival. No medications, other than asthma inhalers, may be kept in the cabin.

Your camper's **mailing address** at camp is:

Camper's name
Strong River Camp and Farm
P.O. Box 89
Pinola, MS 39149-0089

Cabin assignments are not final until the day of arrival but you may also include your camper's cabin name in the address to facilitate mail sorting. You may send packages to your camper but they should not contain food, candy or money. Please share this information with grandparents as well. If you are using a **delivery service** our physical address is:

125 Strong River Camp Drive
Pinola, MS 39149.
